Phone: 1-877-44-SNOWY....that is 1-877-447-6699. If you're not signed diretly with us, call us now.

FORECAST MADE AT: 5:00 PM                      DAY/DATE: SATURDAY 12/22/06  
NEXT FORECAST WILL BE SENT AT: 10 PM TONIGHT

## General Summary and Forecast:

**MAJOR SNOW STORM WILL AFFECT ALL OF NORTHERN NEW JERSEY TONIGHT**  
A major snow storm will produce heavy snowfall, strong northeasterly winds around 30 mph, and near zero visiblity. The heaviest snowfall will impact interior operations with a mix of snow, sleet, and rain along the coast. Snowfall will range from 8 to 12 inches over the interior and 5 to 9 inches along the coast.
